

## **Strengthening the Healthcare Workforce**

### **Speaker Biographies**

**Michael Freeman**  
**Executive Vice President**  
**Healthcare Leadership Council**

Michael Freeman is Executive Vice President of the Healthcare Leadership Council, a coalition of chief executives of the nation's leading healthcare companies and organization. His responsibilities include communicating HLC's policy positions and initiatives to the media, members of Congress, leading health policy influencers, and the public at large. Prior to joining HLC in 1996, he served in a number of roles in the executive and legislative branches as well as the private sector, including chief speechwriter for the Social Security Administration, communications staff director for the Equal Employment Opportunity Commission, spokesman for the congressional Joint Economic Committee, and president of the Freeman Masters Group public affairs and executive communications firm.

**Steve Wehn**  
**Vice President of Government & Community Relations**  
**AMN Healthcare**

Steve has more than 35 years of experience in healthcare staffing and is currently Vice President of Government & Community Relations for San Diego-based AMN Healthcare, the largest provider of comprehensive healthcare staffing and workforce solutions in the nation. He joined AMN in 1992 and has held senior executive management positions with the nurse and allied staffing divisions. In his current role with AMN Healthcare, he is responsible for global community engagement, and for legislative and regulatory monitoring and assessment. He has spoken and written widely on the topic of healthcare workforce and staffing in the United States. In addition to board service with various non-profits, Steve is a founding board member and former chairman of the National Association of Travel Healthcare Organizations ("NATHO"), serves of the board with the American Staffing Association, and serves on the legislative committee with the National Association of Locum Tenens Organizations ("NALTO").

**Crystal Lennartz, PharmD  
Health Mart Chief Pharmacist  
McKesson**

Crystal Lennartz is currently the Health Mart Chief Pharmacist for McKesson Corporation's independent pharmacy franchise of over 4,800 stores. She is part of Health Mart's growth and business development team and her focus areas include building a high performance network of Health Mart stores and developing the right programs, services, and business models to support the network. She is passionate about helping independent owners understand and improve their pharmacy performance and profitability.

Crystal has over 17 years experience working in or on behalf of community pharmacies. Prior to coming to McKesson, Crystal worked for Drug Store News, National Association of Chain Drug Stores (NACDS), SUPERVALU, and Walgreens. She has both a Doctor of Pharmacy and Master of Business Administration from Drake University after which she completed an APhA-ASHP Accredited Residency in Pharmacy Practice with emphasis in Community Care.

**Matthew Jansen, M.D.  
Division of Education Medical Director  
Marshfield Clinic**

Matthew Jansen, M.D., an internal medicine physician who has been a part of Marshfield Clinic for 25 years, was named Marshfield Clinic's Division of Education medical director in the summer of 2012.

Dr. Jansen arrived in Marshfield in 1992 as a third-year medical student from the University of Wisconsin School of Medicine and Public Health. He continued at Marshfield as an Internal Medicine resident, served as the Chief Resident, graduated in 1997 and then joined the staff of the General Internal Medicine department. While on staff, Dr. Jansen has served as Core Faculty, Associate Program Director and Program Director for the Internal Medicine Residency Program. He now leads the Division of Education. He also serves as the Associate Dean for the University of Wisconsin School of Medicine and Public Health.

Additionally, Dr. Jansen acts as the Designated Institutional Official with the authority and responsibility for the oversight and administration of Marshfield Clinic's ACGME-accredited programs. Current residency/fellowship programs include the following: Dermatology Residency, General Surgery Residency, Internal Medicine Residency, Internal Medicine-Pediatrics Residency, Pediatrics Residency, Pharmacy Residency, Palliative Medicine Fellowship, and Post-Doctoral Psychology Fellowship.
