

Marshfield Clinic

A pipeline for rural medicine

Matthew J. Jansen, M.D., FACP
Director, Marshfield Clinic Division of Education

A presentation for the Healthcare Leadership
Council

May 5, 2017

MARSHFIELD CLINIC.

MISSION (WHY WE ARE HERE)

WE ENRICH LIVES to create healthy communities through accessible, affordable, compassionate health care.

VISION (WHAT WE ASPIRE TO BE)

WE WILL INNOVATE AND DEFINE THE FUTURE OF HEALTH CARE FOR GENERATIONS.
We will be the consumer's first choice for health care.

CORE VALUES (HOW WE TREAT PATIENTS, COMMUNITIES AND ONE ANOTHER)

PATIENT-CENTERED: We listen, serve and put the needs of the patient first.

TRUST: We earn trust through honesty, integrity, respect and compassion.

TEAMWORK: We work together, respecting each other and our professional roles.

EXCELLENCE: Through research, education and best practice, we deliver exceptional quality.

AFFORDABILITY: We are accountable as we manage resources and deliver value-based care.

Marshfield Lab Learners

Pharmacy Students, Radiography Students, Dietitians, Other

810 Total Learners / 1,599 Learner Rotations Scheduled / 62 Academic Contracts

Wisconsin Academy for Rural Medicine

- ✓ Marshfield Clinic first host site for WARM in 2008
- ✓ Rural pipeline created to address physician shortage in diverse Wisconsin communities
- ✓ More than 33 percent of Wisconsin citizens live in rural areas but only 11 percent of physicians have rural practices
- ✓ 83 percent of Wisconsin counties are designated totally/partially medically underserved

*45 graduates from WARM Program
as of May 2017*

MARSHFIELD CLINIC.

Extension of Marshfield Pipeline

- ✓ Growing pharmacy residency program with hospital-track
- ✓ Partnership with University of Wisconsin-La Crosse PA School
- ✓ Partnership with University of Wisconsin-Eau Claire School of Nursing
 - *16 nursing students in each class*
 - *80 total nursing students in program*
- ✓ Addition of School of Radiography
- ✓ Addition of School of Nuclear Medicine

Overcoming Barriers...

Graduate Medical Education:

- ✓ Increase of number of slots (primary care areas such as Internal Medicine, Pediatrics, Family Medicine and Behavioral Health)
- ✓ Removal of rural hospital resident allotment (“cap”)

Teaching Health Centers (THCs)

- ✓ Mega THCs

Nursing education funding

Other rural health care providers

- ✓ Physician assistants, pharmacists, dietitians, etc.
