Introducing Well onTarget

It makes sense. When you feel well, you do well. But wellness involves more than simply managing diet and exercise.

To be effective, an employer’s wellness initiative needs to include innovative programs to support employees throughout their lifelong journey of healthy living.

That’s why as part of the Blue Care Connection® family, we developed Well onTarget, a new wellness solution designed to enhance engagement and reduce costs—all while promoting good health.

Well onTarget offers personalized, wellness initiatives to meet the needs of all members, wherever they find themselves along the path of health and wellness.

This high-value bundle features a premium range of wellness services that are cost effective and will improve employee morale and well-being.

To help employees learn more about making healthy lifestyle choices, Well onTarget offers an array of high-touch, engagement-focused programs, such as real-time coaching sessions and interactive online resources.
