

Focusing Innovation on the Individual Patient

In clinical trials, pharmaceutical development, and therapeutic approaches, experts have acknowledged the unique differences among patients and recognized that value is not added to healthcare with a one-size-fits-all mentality. Hear innovators discuss recent developments, achievements, and collaborations that are making personalized medicine a reality.

Featuring:

Friday, October 25, 2019

Noon – 1:00 p.m.

Rayburn HOB Room 2045

(Lunch will be served)
