

Ensuring Effective Utilization of Telehealth Services

The use of telemedicine has expanded, and lessons have been learned regarding staffing, remote patient monitoring, and how to effectively use telemedicine technologies to increase access to quality care. Experts will present real-world examples of how far telehealth has come across the healthcare industry.

Featuring:

Ralph Henderson
President of Staffing and Professional Services
AMN Healthcare

Chris Meyer
Director of Virtual Care
Marshfield Clinic Health System

Jason Tibbels, M.D.
Chief Quality Officer
Teladoc

Friday, October 4, 2019
